Facials to enjoy

Beauty rituals with precious essences from nature

Let us pamper you with delightful beauty rituals that make you shine. In this treatment, we use the high-quality natural cosmetic products by Vagheggi Phytocosmetic.

Each of our 50-minute facials starts with a personal skin type determination. This is followed by cleansing, peeling, neck and décolleté massage, the application of a mask and a final care product. Our 80-minute rituals also include deep cleansing and a highly effective ampoule or serum. Just choose what you prefer:
